AT EVERY STOP**

## Please ride with us and help these good people!

Don Jones is the brother of Jeff & Allison Blodig and friend of Steve & Carla Ramirez. Don has a rare form of cancer, stage 4, which needs chemotherapy treatment. This will be a big financial burden on him and his wife Pam on top of other medical bills from a serious motorcycle wreck Don had in 2019 and Pam's own battle with cancer in the last year.

**Pam and Don may make an appearance. Please practice social distancing with them as their immune systems are weaker than normal due to treatments. Thank you!**

If you are not able to ride, donations can be made at any of the stops the day of the ride or through the end of September via PayPal at [paypal.me/Blodig](https://paypal.me/Blodig).
